ISHA GUPTA

Highly motivated and results-oriented professional dedicated to delivering exceptional performance and thrive in challenging situations that require critical thinking and problem-solving skills. Software and app development are my core interests among the diverse field sets offered by Information Technology. I am known for my strong work ethic, reliability, and ability to meet tight deadlines without compromising quality. Furthermore, I possess a continuous learning mindset and actively seek out opportunities to expand my knowledge and skill set. I am eager to contribute my expertise, passion, and dedication to a forward-thinking organization that values growth, teamwork, and excellence.

Experience

2021 - 2022
